WRITING (письмо)

Hello!

I glad to see you letter, and answering immediately after I read it. Thank you for big amount of kind words that make me happy and get the house and congratulating to your sister. It is a important age, crossing it means a new stage of her life. That means that you should make the party really impressive, as party for this occasion should be.

In the question of place my opinion is where you should choose one of your friend houses, that one that is big enough and there in chosen time. If you can't find such a house, use the building of that firm office, it's good on the time. Of course, it a little bit rubbish than around there, like any soft building, but if you clean it, it will be nice.

What about activities? I think I left you heard with not activity for a party. Of course it designed for wedding, but I think you can find enough of interesting story there. Just update it for you words and all do give send me a letter after you make a party. I really want to know how is all will go.

Best Regards,
