WRITING (письмо)

Dear Mary,

It's nice to hear you've been doing great. You mentioned your sister's birthday is coming soon and you want to throw a party for her but not sure what to do. My first advice would be to choose a proper place. The place is the most crucial part of a celebration, as I see it. Provided her state of friends is wide, arranging the party at your house wouldn't be a great idea. Instead, you should go for cafes and restaurants, which might offer private settings that set up secondly it's not less important to decide on activities. Obviously, it depends on her interests and hobbies. She would want to be excited about a party. She would want to give, for instance, doesn't play with dolls anymore. My suggestions would be to play with ping-pong, or play cards, or to write an answer for the party.

I hope my suggestions will be any use for you. I'll look up forward to your reply.

Best wishes,  
 Soiya
