WRITING

Today's blogging: a benefit or world's black hole?

Every person nowadays, I guess, has ^{even} just once read a post from somebody's blog. Usually, it happens when we don't notice this. So what's the impact of blogging on today's life? 39

Talking about blogs' writers, or bloggers, it should be mentioned that they always have some benefits. Firstly, mostly every blogger has profit from posting. It can be either money or simply gifts from brands. Furthermore, bloggers develop their writing skills by working on posts' text. In addition, bloggers are getting well-known very easy by ^{creating} getting all type of content. 109

If we observe blogs' readers, we shouldn't forget about benefit they got. First of ~~all~~ all, it's information. Many bloggers post some informative texts that can rise readers' awareness on something. Furthermore, sometimes these influencers organise some giveaways in which everyone can participate and get a prize.

So At the end, I would like to add that blogging is one of the best opportunities to try yourself as a content ~~creat~~ creator.
